“Why Diverse and Inclusive Teams are Critical to Improving Population Health and Eliminating Health Inequities”

Ana Diez Roux, MD, PhD, MPH

Dr. Ana Diez Roux is the Dana and David Dornsife Dean and Distinguished University Professor of Epidemiology at the Dornsife School of Public Health and Director of the Drexel Urban Health Collaborative.

Dr. Diez Roux and her team recently received funding from NIH’s FIRST (Faculty Institutional Recruitment for Sustainable Transformation) initiative launched last year with the goals of enhancing and maintaining cultures of inclusive excellence in health research community, and supporting the career development of diverse faculty.
